Hopefully they got you in time that you didn't travel that far. Of course he stipulated at the last second. Thank you so much and I am so sorry for the confusion. It was all my fault. Let me know if you still need a summons and I can send one along.

If for some reason they stipulate or whatever please call the lab at 617-983-6632 or 617-983-6630 so they can get in touch with me because it's a very far drive and that way I can turn around.

Thanks!

Kristy,

I will not be able to get there by 9am. I just got to the lab and received this email. I will be there closer to 10am.

Kate,

I think I already told you I needed you tomorrow, but just to confirm, if you could be in Barnstable Superior Court tomorrow at 9 a.m. we'll get you out of here as quickly as possible.

Thanks,

Kristy

Kate,

I'm not sure if Sharon Thibeault sent the master list of cases or not yet for trials this month, but if you were on there for being in Barnstable Superior Court on this matter, you are not needed.

Thanks,
Kristy

P.S. Any September or end of the month dates when you know you are unavailable?

Ms. Corbett,

I know you are just returning back from vacation. It is my understanding that you are being given this retest that was submitted to do the primary chemist's work on it. Approximately how long would you say it will be before it is done and you can fax me the cert? It is currently on for trial July 17th. Are you available that date and do you think it will be done by then?

Thanks,

Kristy A. Lavigne
